

# PCA Dinner – Dance Gala

Last October 12, 2012, guests arrived at the Michelangelo's Banquet Center expecting to have a good time. Judging from their reaction throughout the evening, they were not disappointed.

It was the annual PCA fundraising event that day and many guests came to support it. The great music provided by DJ's Boni and Remy

Roque started them dancing as soon as they arrived. During dinner, our lovely MC, Abigail Santos started the program. The highlight of the night was a surprise award to a special person who has done so much for our community through his many volunteer work and as an officer of the PCA for many years. George Santos was given the Recognition Award for his dedication and commitment in giving his services to the Filipino Community. Delicious food was served during dinner and at the late snack table. Regular dancing and of course line dancing lasted until 1:00 am.

Thanks to all who attended and to the PCA Board for making this affair a success.
