

SACRED HEART OF JESUS COUNCIL 15922 KNIGHTLY NEWSLETTER

Called to live and proclaim the good news of Jesus Christ

COUNCIL OFFICERS

GRAND KNIGHTS REPORT

Bro. Knights,

Spring has sprung. Welcome to a warmer weather.

The Council's First Anniversary is fast approaching this coming 25 March 2015. Indeed, the Council is ONE YEAR old. It is hard to believe that a group of Brother Knights were talking and planning to form a Filipino Council more than a year ago and now it is a REALITY just like the DREAM of our Founder, Venerable Fr. Michael J. McGivney in 1882.

The celebration on Saturday 28 March 2015 will commence with a Mass to be held at the newly renovated Sacred Heart of Jesus Parish Church at 5:00 PM. It will be celebrated by the Council's Worthy Chaplain Rev. Fr. George Palamattam. It will be then followed by a Catered Social Get Together at the Parish Social Hall.

The Call Captains will be phoning members to attend this commemorative event.

Please plan to attend with your spouses and get to meet old and new members of the Council.

Yours in Christ,

Bro. Romy Anastasio

In Memory

Ernesto Roman Adraneda Sr.

12/15/1943 to 1/8/2015

God saw he was getting tired and the cure was not to be. So he put his arm around him and whispered "Come with Me." With tearful heart we watched him fade away. Although we loved him dearly, we could not make him stay. A golden heart stopped beating, hard working hands have to rest. God broke our hearts to prove to us, He only take the best.

REDEDICATION OF THE SACRED HEART OF JESUS CHURCH WITH OUR BISHOP DOUGLAS CROSBY OMI

REDEDICATING OUR CHURCH

Let us remember many who have been generous in this labour of love. Our Bishops generosity enabled us to initiated and to achieve this. Along with him all our parishioners and benefactors help us with

their material and spiritual contribution, Your prayers and duplications before the throne of God were taken with all seriousness and responded generously.

Deo Gratias!

Fr. George

Ask Eligible Men to Join

Today, I want to address the growth of the Order. Membership growth is the fuel that keeps this great fraternal engine running. All of our charitable works at the council, state, national and international level are thanks to our hard-working members. And more members equals more charity.

We know that the membership blitz is a tried and true way for councils to get more men to join. We see these pushes often in March, in celebration of Founder's Day, and again in October. These drives are successful because brother Knights have increased visibility speaking or presenting during and after Masses and at special events. We must remember that we have a duty to ask each and every Catholic gentleman to join our ranks for the good of the Church, the community and the Order.

During the rest of the year, we often "forget" to ask men to join and to bring their families into the Knights of Columbus family. You probably know an eligible Catholic man you could ask today. What if the only reason he hasn't joined is because no one has asked him yet?

When telling a prospect about the strengths of the Order, don't forget our greatest fraternal benefit: our insurance program. This is often a "selling point" to a potential member who is on the fence. Many members become Knights simply to be able to buy coverage to protect their family. Soon after, they realize the good our charitable works do for their community, and they are proud to be members.

As your professional Knights of Columbus insurance agent, I look forward to helping us grow in fraternity in any way that I can.

2014-15 FEATURED PROGRAMS GUIDELINES FOR QUALIFICATION FOR COLUMBIAN AWARD CREDIT

CHURCH ACTIVITIES – RSVP

Qualify for the RSVP refund **and** plaque by providing financial and moral support to one or more seminarians. Report activity using the RSVP Refund/Plaque Application (#2863) and the Colombian Award Application (#SP-7).

COMMUNITY ACTIVITIES – HABITAT FOR HUMANITY

Activity must be in a council sponsored project with a minimum of 200 man-hours of service from the council, parish or community **and** a minimum donation of \$1000 to Habitat for Humanity. Report activity using the Habitat for Humanity Report Form (#10092). Working on a Habitat for Humanity building project, members can show prospects that there is a place for them in the Knights of Columbus.

COMMUNITY ACTIVITIES – GLOBAL WHEELCHAIR MISSION

The council must purchase a minimum of one case of 100 wheelchairs by raising the funds through council, parish or community activities. Report Activity using the Global Wheelchair Mission Report Form (#10071) and the Colombian Award Application (#SP-7). Seeing their efforts bearing fruit around the world will reinforce the global impact of the Knights of Columbus.

COUNCIL ACTIVITIES – SPECIAL OLYMPICS

Council members must contribute a minimum of 200 man-hours in support of state/local Special Olympics activities, **and** must raise – through council or parish activities - a minimum of \$2000 for Special Olympics. Report activity using the Partnership Profile with Special Olympics form (#4584) and the Colombian Award Application (#SP-7). Working together in support of Special Olympics presents members with an excellent opportunity to ask prospective members to join the council.

FAMILY ACTIVITIES – FOOD FOR FAMILIES

A council must sponsor events with the parish community to collect a minimum of 1000 pounds of food to be donated to a parish food pantry or community food bank. In addition, council members must contribute a minimum of 100 man-hours in the preparation/distribution/service of meals to needy people. Report activity using the Food for Families report form and the Colombian Award Application (#SP-7). Knights are always willing to “roll up their sleeves” to help others; parishioners and other eligible Catholic men who participate in Food for Families programs make excellent membership recruitment prospects.

CULTURE OF LIFE ACTIVITIES – MARCHES FOR LIFE

As part of an organized program of the council, with parish and community participation, a minimum of 100 marchers must participate in a local, regional or national March for Life. Report activity using the March for Life report form and the Colombian Award Application (#SP-7). The time spent traveling to and from a March for Life gives members the opportunity to explain to prospects the many ways in which the Knights of Columbus is working to build a Culture of Life.

CULTURE OF LIFE ACTIVITIES – ULTRASOUND INITIATIVE

The council must identify a Pregnancy Care Center that is medically certified to utilize and maintain an ultrasound machine, and comply with all regulations of the Ultrasound Initiative to place an ultrasound machine at the facility. The council must raise - through council, parish, or community activities – sufficient funds to cover one half of the purchase price of the ultrasound machine, and follow the published guidelines for obtaining the remaining half of the purchase price from the Supreme Council. Report activity using the “Ultrasound Application” and the Colombian Award Application (#SP-7).

YOUTH ACTIVITIES – COATS FOR KIDS

Council must purchase and donate to needy children a minimum of 8 cases of coats. A case contains 12 coats. Report activity using the Colombian Award Application (#SP-7). The publicity generated by a Coats for Kids distribution will present the Knights of Columbus in a very positive light to prospective members. The days following the distribution are an excellent time to ask those prospects to join the council.

Remember to report all charitable dollars raised and donated as well as the man-hours of service contributed - for these and all other council programs – on the Annual Survey of Fraternal Activity (#1728), found at www.kofc.org/forms and due at the Supreme Council office by January 31, 2015.
